## I. INTRODUCTION:

1. This is the Fifth Report (the “**Fifth Report**”) of Janes & Noseworthy Limited (“**JNL**” or the “**Receiver**”) in its capacity as court-appointed Receiver, without security, of all of the assets, undertaking, and property of 15132738 Canada Inc. (the “**Debtor**”), appointed pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, RSC 1985, c.B-3, as amended (the “**BIA**”) by Order of the Supreme Court of Newfoundland and Labrador in Bankruptcy and Insolvency (the “**Court**”) dated 09 March 2026 (the “**Receivership Order**”).
2. The Receiver filed its First, Second, and Third Reports as Interim Receiver prior to the entry of the Receivership Order on 09 March 2026 (collectively, the “**Prior Reports**”). The Prior Reports are incorporated herein by reference. Following appointment, the Receiver filed Fourth and Supplemental to Fourth Reports (together with Prior Reports, the “**Receiver’s Reports**”). Capitalized terms not defined in this Fifth Report have the meanings ascribed to them in the Receiver’s Reports which can be found on the Receiver’s website at: <https://janesnoseworthy.ca/corporate-engagements-2/>

## II. PURPOSE OF THE REPORT

3. The purpose of this Fifth Report is to provide information to the Court to support the Receiver’s request for an order, *inter alia*:
  - a) authorizing the distribution of the proceeds available in the estate of the Debtor;
  - b) approving the activities of the Receiver as set out in the First, Second, Third, Fourth, Supplement to Fourth and Fifth report of the Receiver;
  - c) approving the Receiver’s statement of receipts and disbursements dated 07 July 2026 (the “**Receiver’s R&D**”);
  - d) approving the fees and disbursements of the Receiver and its legal counsel, O’Keefe & Sullivan (as described in this Report);

- e) authorizing, but not requiring, the Receiver to make an assignment in bankruptcy in respect of the Debtor and authorizing JNL to act as trustee in bankruptcy, if the Receiver determines that doing so is appropriate; and
- f) discharging JNL as Receiver of the undertaking, property and assets of the Debtor and releasing JNL and its employees, officers and directors from any and all liability or claims which have been or may be raised in these proceedings in respect of JNL and its conduct as Receiver, except for gross negligence and willful misconduct.

### III. BACKGROUND :

- 4. 15132738 Canada Inc. (the “**Debtor**”) is a federally incorporated company that, at the material time, held and operated the Stephenville Dymond International Airport (the “**Airport**”), a former Tier 4 certified airport located in Stephenville, Newfoundland and Labrador (ICAO designation CYJT).
- 5. The Debtor’s interest in the Airport derives from an Asset Purchase Agreement (the “**APA**”) dated 30 June 2022, between 13264793 Canada Corporation (as purchaser) and Stephenville Airport Corporation (as vendor), pursuant to which the assets and undertaking of the Airport were acquired for a nominal purchase price of \$6.90, subject to the assumption of specified liabilities totalling approximately \$1,069,093. The APA was subsequently assigned to the Debtor, 15132738 Canada Inc., by way of an Assignment of Asset Purchase Agreement dated 23 August 2023, with the consent of Stephenville Airport Corporation. Both instruments were executed by Carl Dymond in his capacity as President and Director of the respective corporate entities.
- 6. The purchased assets under the APA comprised all material assets of the Airport, including the real property and improvements, motor vehicles, machinery and equipment, business records, goodwill, trade names, intellectual property, regulatory licences (including the Transport Canada Airport Operator Certificate), service agreements, and supply contracts.

7. Airport operations ceased in or around June 2025 following the disconnection of electrical service to the facility. All employees of the Debtor were laid off at or around that time. The Airport has remained dormant since that date.
8. On 09 March 2026, the Court made the Receivership Order appointing JNL as court-appointed Receiver pursuant to section 243 of the BIA and section 39 of the *Judicature Act*, RSNL 1990, c J-4. A prior interim receiver appointment had been made by order of this Court, as described in the Prior Reports. Concurrent with the Receivership Order, the Court approved the SISP Procedures governing the marketing and sale of the Debtor's assets.
9. The SISP was designed to solicit offers from qualified parties for the purchase of all or substantially all of the assets of the Debtor, or for an investment in or recapitalization of the Debtor's business. The Receiver recommended that the Court approve the BTG Capital bid as the successful bid in the SISP process and authorize the Receiver to enter into and complete the transaction contemplated thereby.
10. On 28 April 2026, pursuant to Section 11.12 of the Asset Purchase Agreement the Receiver agreed to sell and Stephenville International Airport Corp., a body corporate duly incorporated pursuant to the laws of the Province of Alberta and extra provincially registered in the Province of Newfoundland and Labrador, (the "**Assignee**") agreed to purchase BTG's right, title and interest in the Purchased Assets.
11. On 30 April 2026, the Court approved a transaction contemplated under the Asset Purchase Agreement.
12. On 05 June 2026 the Receiver filed its certificate confirming that:
  - a. Stephenville International Airport Corp. paid, to the satisfaction of the Receiver, the Purchase Price for the Purchased Assets in accordance with the Asset Purchase Agreement.
  - b. the Receiver received written notice from Stephenville International Airport Corp. and BTG and their respective counsel that all conditions to Closing under the Asset Purchase Agreement had been satisfied or waived, as applicable.

- c. the Transaction had been completed to the satisfaction of the Receiver.

#### **IV. TERMS OF REFERENCE AND DISCLAIMER**

13. In preparing this Fifth Report, the Receiver has relied upon unaudited financial information, the Debtor's records, financial information and projections. While the Receiver reviewed various documents provided by the Debtor and believes that the information therein provides a fair summary of the transactions as reflected in the documents, such work does not constitute an audit or verification of such information for accuracy, completeness or compliance with Generally Accepted Assurance Standards ("**GAAS**"), Generally Accepted Accounting Principles ("**GAAP**"), or International Financial Reporting Standards ("**IFRS**"). Accordingly, the Receiver expresses no opinion or other form of assurance pursuant to GAAS, GAAP or IFRS with respect to such information.
14. In the course of its mandate, the Receiver has assumed the integrity and truthfulness of the information and explanations presented to it by the Company, its management and other stakeholders, within the context in which such information was presented. Accordingly, this Report is based solely on the information (financial or otherwise) made available to the Receiver by the Debtor, its management, and other stakeholders.
15. This Fifth Report has been prepared for the use of this Honourable Court and the Company's stakeholders as general information relating to the Company and to assist the Court in administering this proceeding. Accordingly, the reader is cautioned that this Report may not be appropriate for any other purpose. The Receiver will not assume responsibility or liability for losses incurred by the reader as a result of the circulation, publication, reproduction or use of this Fifth Report contrary to the provisions of this paragraph.
16. Capitalized terms not defined in this Fifth Report have the meanings ascribed to them in the Receivership Order, the SISP Order, or the previous reports of the Receiver.
17. Unless otherwise indicated, all dollar amounts are in Canadian currency and capitalized terms not otherwise defined herein have the meanings ascribed to them in the Prior Reports.

## V. RECEIVER'S ACTIVITIES

18. Since the date of the Fourth and Supplemental to Fourth Report, the Receiver has:
- (a) engaged with counsel and conducted various meetings to satisfy and document closing deliverables for the approved transaction and to coordinate post-closing matters;
  - (b) communicated with counsel for stakeholders, including BTG, municipal authorities, and governmental agencies, to address closing payments and priority items;
  - (c) monitored cash flow, estate accounts, and reconciled transaction proceeds and disbursements;
  - (d) prepared a distribution framework reflecting priority items, approved professional fees and disbursements, and proposed distributions to secured creditors (the “**Distribution Waterfall**”);
  - (e) Prepared Receiver's Statement of Receipts and Disbursements;
  - (f) Prepared its Fifth Report.

## VI. DISTRIBUTION:

19. The Receiver seeks authority to make one or more distributions in accordance with the Distribution Waterfall set out in **Appendix “A”**. The Receiver has satisfied priority items contemplated by the Asset Purchase Agreement and applicable law. As previously indicated in the Supplement to the Fourth Report, BTG is the primary senior secured creditor and holds a valid and enforceable security interest against the Debtor's property, and the Receiver is not aware of any other secured creditors with a prior ranking claim.
20. The opening balances in the Statement of Receipts and Disbursements as set out in **Appendix “D”** includes the payment of priority claims being municipal tax arrears to the Town of Stephenville (\$250,000.00), Canada Revenue Agency (\$329,075.00), and Workplace NL (\$5,551), with the balance of the Purchase Price satisfied by a BTG credit bid and set-off of \$3,255,886.83. The Receiver submits that the proposed distribution is fair and reasonable in the circumstances.

21. The Receiver acknowledges having previously received the Administration Wind-Down Amount, which amount is being held by the Receiver. Following the distribution(s), the Receiver proposes to continue to retain that amount as a reasonable reserve for remaining administrative costs and costs associated with the potential bankruptcy of the Debtor and then distribute any balance to Stephenville International Airport Corp. in accordance with **Appendix “A”**.

## **VII. APPROVAL OF RECEIVER’S AND COUNSEL TO RECEIVER’S FEES**

22. The Receiver seeks approval of its fees and disbursements and those of its legal counsel, O’Keefe & Sullivan, as set out in **Appendices “B” and “C”**.
23. The Receiver’s work included urgent stabilization, site stewardship (including the reconnection of electricity to certain key buildings), security, SISP implementation, transaction completion, stakeholder engagement, distribution planning, and reporting, which were reasonably necessary to advance these proceedings and conclude the receivership mandate. The Receivership Order entitles the Receiver and its counsel to be paid their reasonable fees and disbursements at their standard rates and charges, and the Receiver engaged professional advisors, including appraisers and independent legal counsel, to address security validity and related matters within its mandate.
24. The Receiver submits that the professional fees incurred are fair and reasonable having regard to the complexity and urgency of the file, the results achieved, and market comparables for similar insolvency mandates. The Receiver’s request for approval of professional fees aligns with the standard applied to court-officer compensation in Canadian insolvency proceedings.

## **VIII. RECEIVER’S STATEMENT OF RECEIPTS AND DISBURSEMENTS**

25. The Receiver’s Statement of Receipts and disbursements “the **R&D**” for the period to 07 July 2026 is attached as **Appendix “D”**. It summarizes receipts, including sale proceeds and any ancillary recoveries, and disbursements, including transaction costs, site costs,

insurance, utilities, and other estate expenses. The **R&D** includes all transactions related to the interim receivership as well.

26. The **R&D** also attempts to detail the remaining receipts and disbursements that will happen post-discharge. It does not contemplate the costs of a potential bankruptcy filing and administration. Certain items, particularly the recovery of net HST input tax credits, will likely take many months to recover. Any funds remaining will be returned to the purchaser.

## **IX. BANKRUPTCY OF THE DEBTOR**

27. The Receiver seeks an order authorizing, but not requiring, the Receiver to make an assignment in bankruptcy in respect of the Debtor, and authorizing Janes & Noseworthy Limited to act as trustee in bankruptcy should the Receiver determine that such an assignment is advisable.
28. This authority is sought to promote efficiency and protect stakeholders' interests by enabling the Receiver, if warranted, to utilize the investigative and realization tools available under the BIA to address any remaining estate matters, including the administration of any residual assets or claims.
29. The Receiver has proposed a distribution process and will retain a reasonable reserve for remaining administrative costs and costs associated with the bankruptcy of the Debtor.
30. The Receiver confirms that it will only proceed with an assignment in bankruptcy if, in the Receiver's judgment, doing so is advisable and in the best interests of stakeholders, having regard to costs, efficiencies, available remedies, and the orderly completion of the administration.

## **X. DISCHARGE AND RELEASE OF THE RECEIVER**

31. The Receiver seeks to be discharged upon completion of the remaining administrative steps in the receivership and upon the filing with the Court of a discharge certificate (the "**Discharge Certificate**") substantially in the form attached as Schedule "A" to the proposed

Distribution and Discharge Order. The Receiver will complete the following remaining items (the “**Remaining Items**”) before filing of its Discharge Certificate with the Court:

- a. remittance of final receivership related disbursements and approved fees and disbursements of the Receiver and its counsel; and
  - b. completion of the distribution of funds in accordance with the Distribution Waterfall.
32. The Receiver requests that its discharge take effect upon the filing of the Discharge Certificate, such that the discharge will be self-executing without the need for a further attendance, subject only to the Receiver completing the steps outlined in this Fifth Report.
33. The Receiver also seeks a release of liability in favour of JNL, as well as its employees, officers and directors, for all acts, omissions, and matters undertaken in its capacity as Receiver in these proceedings, except in respect of any liability arising from gross negligence or wilful misconduct.
34. The Receiver’s mandate has been substantially completed, the Court-approved sale transaction has closed, the Receiver has provided detailed reporting to the Court and stakeholders, and the proposed distributions and reserves will permit the orderly wind-up of remaining matters.

## **XI. RECOMMENDATION AND CONCLUSION**

35. For the reasons set out in this Fifth Report, the Receiver respectfully requests that the Court grant the relief described in Section II above.
36. The Receiver recommends that the Court grant the relief set out in Section II of this Fifth Report, for the following reasons:
- a) the transaction under the SISP was approved and substantially completed, with the Receiver’s certificate filed, and the Receiver’s mandate is now largely administrative;

- b) the proposed distribution framework is consistent with the approved transaction and applicable priorities, and will permit timely payment of priority items and secured claims as appropriate;
- c) the Receiver's activities and professional fees were necessary, reasonable, and proportionate to the results achieved and should be approved; the Receiver and its counsel are entitled to reasonable fees and disbursements under the Receivership Order;
- d) authorizing an assignment into bankruptcy and permitting JNL to act as trustee, if the Receiver determines it to be advisable, will protect stakeholder interests and, where appropriate, permit efficient use of BIA remedies; and
- e) the discharge and release proposed are customary where the Receiver's mandate has been completed.

All of which is respectfully submitted this 09<sup>th</sup> day of July 2026.
